Summation by Jim Fletcher

Our first impression was that this is a super class of birds. We liked the birds in cages A (Jeff Leong, Victoria) and D (K Kerney, New South Wales) but they fell to pieces during judging. It took quite a while for the birds to finally show themselves and quite a few were slightly out of condition.

First bird is an outstanding clean hen and strong in all areas. She is a super solid Dark Green hen who showed well.
