Just a quick line to give you the latest news.

It is looking more likely we will host our next meeting in July, but we will know more next month, and I will keep you updated. Please, when we do start up, ensure you come along and meet up again with your “budgie” friends as we miss seeing you and speaking to you.

It is March since we last held a meeting so let us make the most of the remaining months in the year and jam pack it with interesting speakers, topics, problem solving and good laughs.

I cannot see us hosting meetings earlier than July so I will change the June magazine to a July issue date and hopefully hand it out at our July 9th meeting if it is held.

The 2021 ring orders are being placed at the end of this month, so if you have not ordered your coded rings yet, please call Kaitlyn Edser our ring steward 0420 741 268 immediately. Don't know what coded rings are? They are rings that have your special code on it e.g. Our code is 1G and no one else in South Queensland has this code.

Re the National Show for 2021 – It has been agreed that Victoria will host the National Championships in 2021 seeing the show was cancelled there this year due to the Coronavirus. There is a postal vote taking place on what colour rung birds will be exhibited in 2021 seeing the 209 rung birds missed out. Once a decision is made, I will update you.

In the meantime, stay safe, stay happy, keep breeding your birds and enjoy their many characteristics. I will let you know about future meetings.

Carol Gough
