Tableshow meeting: Thursday, April 8 (next week) will be our Bird Identification Night. We will have different varieties on show and we will ask you to guess what they are (secretly so you don't show up the experienced people) and then the varieties will be explained to you and you can see how you go. This is always an interesting night as we have so many differing opinions to begin with and there is just so much information to be gained.

Doors open 7pm for 7.30pm start at the Bracken Ridge Neighbourhood hall, 77 Bracken Street, Bracken Ridge.

Table Show birds: Any bird with 2019 or 2020 ring. Bring down your birds for the tableshow as this is a great way to compare how your breeding season went last year and areas that you may be able to improve upon. If you are only wanting some advice and not actually compete in the tableshow than just tell us and we will speak to you privately about them. Remember – we are a budgerigar society, so we want budgies at our meetings.

Veterinarian Ron Woodhead will be in attendance with all his medicines and wonderful helpful advice.

AJ will have his sales table available to assist you in every way they can and don't forget to ask him about the two new supplements he has obtained to help your birds with feathering, bone structure etc..

IMPORTANT DATES:

The next big show coming up is the SQBBA Honorary Zone Selection Show on Saturday 15th May for all your green ring birds that you bred your self. Our club has to select four birds in the 28 classes to bench on this day so our selection show is on Saturday 8th May at our meeting hall in Bracken Ridge from 10am. All birds to be benched by 10.30am. If you haven't got enough cages, please see a committee member.

On the last page of this Budgie Blast will be a list of the classes we have to put birds in so have a look in our aviary and bring your birds down

Birthday celebrations:

Congratulations to all who are celebrating this month.

April 10	Gary Meiers
April 10	Kaleena Geary
May 3	Anne Knudsen
May 4	Anne Coleman
May 4	Barry McClennan
May 6	Leanne Sellin

2012 Future Show was a great show with some magnificent birds on display. Thank you to our members not only for exhibiting their birds but for supporting with the running of the show as well.

The birds that were won in Novice and Intermediate sections just for having two or more birds entered were magnificent – actually I think the very best since the show commenced so we are looking forward to seeing some of the offspring on the show benches towards the end of the year.
