

## **June 2021**

**Tableshow meeting: Thursday, June 10 (next week)** will be a very entertaining and informative evening with special guest, Jamie Wright speaking on “Vitality in the Breeding Room”. Without vitality you will have clear eggs, fat birds and many problems so come along and listen to Jamie who is always very informative and keeps us entertained no matter how long we have been in the hobby.

Doors open 7pm for 7.30pm start at the Bracken Ridge Neighbourhood hall, 77 Bracken Street, Bracken Ridge.

**Table Show birds: Any bird with 2019 or 2020 ring.** Bring down your birds for the tableshow as this is a great way to compare how your breeding season went last year and areas that you may be able to improve upon. If you are only wanting some advice and not actually compete in the tableshow than just tell us and we will speak to you privately about them. Remember – we are a budgerigar society, so we want budgies at our meetings.

**Veterinarian Ron Woodhead** will be in attendance with all his medicines and wonderful helpful advice.

**AJ** will have his sales table available to assist you in every way they can and do not forget to ask him about the two new supplements he has obtained to help your birds with feathering, bone structure etc.

Your **Club Magazine** will be available at our meeting next week so that is another reason to come and collect it. The magazine is far easier to read in hard copy rather than on a computer screen.

The SQBBA Zone Challenge Show was held on May 15<sup>th</sup> and I am very pleased to announce that our club won the Shield. It was disappointing not to have more of our members in attendance at our selection show but everyone who came to it with birds, got birds into the team which was a fantastic result so thank you one and all. Also thank you to those people who had no birds but still assisted on the day and at the zone show. You depict what club membership is all about.
