Tableshow meeting: Thursday, March 11 will be our Sales Night so if you have birds to sell that may help our members or you are wishing to purchase some birds, please bring them down. Don't forget if you are selling, bring some \$5 & \$10 notes with you for change as you are the one who handles the money not the club. On that note, whatever you sell your bird/s for, you get to keep the entire amount as there is no commission.

Table Show birds: Any bird with 2019 or 2020 ring. Bring down your birds for the tableshow as this is a great way to compare how your breeding season went last year and areas that you may be able to improve upon. If you are only wanting some advice and not actually compete in the tableshow than just tell us and we will speak to you privately about them. Remember – we are a budgerigar society, so we want budgies at our meetings.

The doors will be open at 7pm for a 7.30pm start for our meeting Michelle so take advantage of their knowledge.

Veterinarian Ron Woodhead will be in attendance with all his medicines and wonderful helpful advice.

AJ will have his sales table available to assist you in every way they can and don't forget to ask him about the two new supplements he has obtained to help your birds with feathering, bone structure etc..

IMPORTANT DATES:

Futures Show March 21 is a fantastic show for Novice & Intermediate exhibitors only. Just by entering two or more birds, you can win a pair of birds if you are in Novice and a cock if you are in Intermediate. If you have never shown before, than try this show as there are no Open exhibitors at all. The only requirement is that the birds must be rung with your rings but refer to the schedule I emailed you earlier this week for all the details. If you haven't got enough show cages, please ask your committee but remember to return them promptly and cleaned.

2012 Annual Show was a great show without controversy and some beautiful birds on display. Congratulations to all the winners and to everyone who showed/and or assisted on the day.

A big thank you to Dot Patrick, Kelly Neisler and Bill Sedgwick for helping me in the kitchen on the day. You did an amazing job and I on behalf of the committee cannot thank you enough.

Also with the setting up of the staging the day before the show the committee was there in full force but the only other members assisting was Dot Patrick and Ray Woolston who worked well – unfortunately Ray's brother Gary would have been there except for an operation two days earlier so a thank you to Ray & Dot. We finished in less than two hours but with another two people we could have completed the work in an hour.

Remember – you are all club members and your committee already do a lot extra so give a helping hand. I am always amazed at the amount of help at our meetings with members helping with staging, setting up chairs etc and then cleaning up afterwards so a big thank you to one and all.
