

November 2021

ARE YOU SUFFERING FROM COVID HIBERNATION????

What is Covid Hibernation???

Covid Hibernation is when you have lost all interest in going out to places, meeting up with friends and basically enjoying life like you used to prior to March 2020. With the majority of us double vaccinated now why not start your engine (it may be a little sluggish to begin with) and come along to our meeting and Christmas Party. It is now up to you to get back to a Normal life.

Tableshow meeting: Thursday, November 11 is our next meeting night, and we invite you to attend. The Tableshow will be run so bring along your 2020 rung and your 2021 rung birds for tips to help you improve your birds.

If you have any questions you would like answered but don't feel confident enough to ask them at a meeting, why not email me and I will keep your name/s out of the question, and I will ask the question for you at our meeting next week. Anonymity is guaranteed. I look forward to hearing from you.

Doors open 7pm for 7.30pm start at the Bracken Ridge Neighbourhood hall, 77 Bracken Street, Bracken Ridge. If you would like to bring a plate to go towards supper, it will be appreciated.

Veterinarian Ron Woodhead will be in attendance with all his medicines and wonderful helpful advice.

AJ will have his sales table available to assist you in every way they can and do not forget to ask him about the two new supplements he has obtained to help your birds with feathering, bone structure etc.
