

October 2021

Tableshow meeting: Thursday, October 14 is our Sales Night so if you are looking to purchase some great birds at reasonable prices or sell some of your birds then that is the night to attend. The Tableshow will still be run so bring along your 2020 rung and your 2021 rung birds for tips to help you improve your birds.

I have been asked at what age should youngsters be shown and that is usually between 8 to 12 weeks of age. Before 8 weeks they are far too young and you could lose them through stress. After about 12 weeks the birds are starting to go through their first moult and should be left in the aviary without any undue stress.

Doors open 7pm for 7.30pm start at the Bracken Ridge Neighbourhood hall, 77 Bracken Street, Bracken Ridge. If you would like to bring a plate to go towards supper, it will be appreciated.

PS: If you are a Rainbow Breeder why not bring your birds along to our table show. We would love to see them, and you can be guided as to exactly what a Rainbow consists of. A Rainbow is a combination of a Yellow or Golden Face combined with Clearwing & Opaline in any blue series colour.

Veterinarian Ron Woodhead will be in attendance with all his medicines and wonderful helpful advice.

AJ will have his sales table available to assist you in every way they can and do not forget to ask him about the two new supplements he has obtained to help your birds with feathering, bone structure etc.

Your **Club Magazine** will be available at our October 14 Meeting.

Visitors welcome at \$20 per person. Presentation of the yearly table show trophies will be carried out on this night and there will be some lovely Lucky Door Prizes. Note: The Christmas Party is in place of our normal meeting.

If you are wishing to attend, I must have your commitment by December 1 at the very latest please. The earlier you can confirm the better it will be.

Important Note: 2022 Leg Rings:

The colour of the leg rings for 2022 has been changed from a gold colour to a very dark brown which can be easily mistaken for black. Please be careful next year when showing that you check the ring colour and not put old birds in as young birds.

Golden Cob Seed is now available through AJ at a cost of \$24.50 per 10kg bag. Golden Cob supports the fancy for many thousands of dollars each year throughout Australia so why not show your thanks by purchasing their seed plus supporting our club and giving your birds a great clean seed full of nutrients. AJ can be contacted on 0430 559 008

Looking forward to seeing you next week at our meeting.
