Important Message: Due to Queensland Government Regulations all guests attending our meetings and shows **MUST** produce proof of being Covid Vaccinated otherwise our meetings are only allowed 15 people and our shows 20. The committee feels deeply sorry for excluding our unvaccinated members but rules are rules and we are hoping for your understanding.

When it comes to unvaccinated exhibitors wanting to show their birds we can arrange for the exhibitor to park outside the hall, and we will arrange for someone to come and get the birds and bench them. At the end of the show, the birds will be taken outside for the unvaccinated exhibitors to load into their vehicles.

Tableshow meeting: Thursday, February 10 will be a great night to attend our next meeting. The nights topic is on **“Preparing your birds for Breeding”**.

Table Show birds: Any bird with 2021 or 2022 ring. Bring down your birds for the tableshow as this is a great way to compare how your breeding season went last year and areas that you may be able to improve upon. If you are only wanting some advice and not actually compete in the tableshow than just tell us and we will speak to you privately about them. Remember – we are a budgerigar society, so we want budgies at our meetings.

The doors will be open at 7pm for a 7.30pm start for our meeting next week so come along. There will be lots to learn from Jamie so take advantage of their knowledge.

Veterinarian Ron Woodhead will be in attendance with all his medicines and wonderful helpful advice and AJ will have his sales table available to assist

AJ has two brands of seed now that he is selling. Golden Cob at \$24.50 for 10 kgs and another one that is \$45 for 20kgs. Contact AJ on 0430 559 008
