Meeting venue: Bracken Ridge Hall, Corner. Bracken & Barrett Streets, Bracken Ridge. Doors open 7pm for 7.30pm start.

Thursday, November 10 is our last meeting for 2022 and we would really like to see your smiling face in attendance.

It will be a very interesting, hands on and informative meeting as we are going to ask you to select which hens and cocks you would put together as a breeding pair to improve your stud. Then our Guest Speaker, Henry George will give his pairings and the reasons why. Henry is the most recognised National Champion Breeder in Australia so attend our meeting and learn from the best.

Don't forget to bring birds along to the tableshow after all we are a Budgie Club and no matter how big or small you think your birds are, we want to see them. If everyone came along with at least two or three birds, it would be a great evening.

The new order of **Club Shirts** has arrived and they are \$30 each. I will bring some along, but for those who haven't ordered their shirt yet, just let me know by telephone, message or email and I will bring your size down.
