Meeting venue: Bracken Ridge Hall, Corner. Bracken & Barrett Streets, Bracken Ridge. Doors open 7pm for 7.30pm start.

Thursday, **August 10** is the date for our next meeting which we hope you will attend. Your free magazine will be available on this night so please come along and have a good read.

Topic will be the National placings at the ANBC Show with good healthy discussion on the birds and their wonderful and not so wonderful features. By coming along, you will not only see some outstanding birds, but you will get to know the colour varieties which is important.

Birds to bring along for the **tableshow are 2023 rung** young birds either Juvenile or Nestfeathers. Supper will be available to all who attend.

Important: If you have birds for sale, let me know that you are bringing them along to our meeting and I can send out an alert to our members, so they know to bring along a cage. Birds for sale at this coming meeting will be from Keith & Carol Gough with no bird over \$40. The EFTPOS machine will be available for use.
