Thursday, **July 13** – **this week** is the date for our next meeting which we hope you will attend. **Without YOU** we may as well stay home but we are willing to put on interesting meetings for YOU so please attend. It is only for 2 hours once a month – surely that is not too much to ask.

We will be discussing the Spangle Variety, the breeding, the different varieties, the requirements etc and we will also be answering any questions you may have on any subject. Last month there were quite a few questions asked and everyone in attendance thought it was great to hear different viewpoints etc so please come along.

Birds to bring along for the **tableshow are 2023 rung** young birds either Juvenile or Nestfeathers.

Diary Dates: The only show until August is Fraser Coast and entries close tonight, Monday 10th July. Please enter birds by contacting Heather Farren-Price on 0407 374 881.

Classes:

Young Birds:	Must be rung with an ANBC approved 2022 Brown ring.
Old Birds:	Must be rung with an ANBC approved ring (pre 2022 Brown rung).

The Wynnum Redlands Budgerigar Society and Gold Coast Society are hosting an aviary visit to the National winning aviary of Garry & Helen Hibberd at Warwick on Saturday, 29 July and we are invited along. The two societies are looking at two options and they are:-

1. Meeting up at the Hibberds at a determined time on Saturday. Time of arrival at Warwick will be notified closer to the day.
2. Making a weekend of it where we meet up on Friday, 28th July in Toowoomba at Brian Good's home and view his birds. Then travel onto Warwick for dinner and an overnight stay on the Friday evening. Have breakfast and head for Garry & Helen's home on the Saturday and then coming home.

The two societies are having a meeting on Thursday so I may be able to give you more details at our Meeting this Thursday evening, but if you are interested, please telephone Pat Sedgwick on 07 3396 8732

Looking forward to seeing you this week.
