**Meeting venue: Bracken Ridge Hall, Corner. Bracken & Barrett Streets, Bracken Ridge. Doors open 7pm for 7.30pm start.**

Thursday, **June 8** – **this week** is the date for our next meeting which we hope you will attend. The topic is one that a number of you requested and it is “What judges look for in a budgerigar”. Even if you are not into showing, the information you may gain will definitely assist you in the breeding room so come along and enjoy yourselves.

Birds to bring along for the tableshow are 2022 rung young birds and 2023 rung Nestfeathers.

**Our club selection:** Although not very well supported we still had helpers and birds to make the morning worthwhile. My sincere thanks to Henry George, Garry Heuvel and Keith Gough for judging: Phil Edgar for managing the show along with Arjuna Cooray: Angela & Kaitlyn Edser for computer work: Diane George for helping with lunch, morning tea and sorting stickers. Another thank you to Kevin Richards for making birds available although he was holidaying.

Phil Edgar put birds into BNSBS team, and they continued to the Zone Selection with his Clearbodies with placings of 9<sup>th</sup> & 18<sup>th</sup>. Phil has been breeding this beautiful variety and it was fantastic to see him on the top shelf when class judging was completed. Full results and birds in every class of the National will be in your August magazine.

## **Diary Dates:**

- June 25 SQBBA Auction at the Strathpine Hall, Mecklem St; Catalogues will be emailed out as soon as I receive them.
- July 8 Wynnum Redlands Saturday Show. Schedules will be emailed out as soon as I receive them.

# ANNOUNCEMENT

The Lucky Number Competition will be drawn on Thursday night at our meeting so come along and see if **YOU have won the \$500**. There are only 9 numbers left at \$10 each so if you would like to buy a ticket or buy some more, please call Keith on 0410426115 asap. A big thank you to Dale Keever who suggested this idea to the committee.

We asked you to suggest topics for our meetings and we are ticking them off one by one BUT it is no good suggesting a topic if you are not there to listen to it. A lot of effort is put into lectures by all speakers so please show them some respect by attending your club meetings.

Have you shown at our club shows before?

Have you shown at another club' show?

Why don't we make an effort to support Wynnum Redlands show on Saturday 8<sup>th</sup>. Wynnum Redlands would appreciate your attendance and your birds. It is a great show with great people. Don't know how to enter birds, ask anyone on the committee.

Looking forward to seeing you this week.

Hon Secretary
