Meeting venue: Bracken Ridge Hall, Corner. Bracken & Barrett Streets, Bracken Ridge. Doors open 7pm for 7.30pm start.

Thursday, **9 November** is the date for our next meeting which we hope you will attend. Have you ever wondered why eggs don't fertilise? Why we get Dead in Shell? Why chicks are so exhausted when they hatch that they die soon after? Come along and learn some reasons for these upsetting events and maybe how you can avoid them. We will need your interaction as we all suffer from this problem.

Birds to bring along for the **tableshow are 2023 rung** young birds, Juvenile and Nestfeathers. Supper will be available to all who attend.

THIS WILL BE OUR LAST MEETING FOR 2023 SO PLEASE ATTEND.

BIRDS FOR SALE: Last month we had over 40 birds for sale and the most expensive ones were \$50 – most of them were giveaways, and there were some high quality birds amongst them. Not sure if we will have any this time, but please keep a cage in your car.
