Meeting venue: Bracken Ridge Hall, Corner. Bracken & Barrett Streets, Bracken Ridge. Doors open 7pm for 7.30pm start.

Thursday, **12 October** is the date for our next meeting which we hope you will attend. Topic will be **Line & Inbreeding** and our guest speaker is **Garry Menzies**. Garry will go into details of how to produce a line of budgerigars. It amuses me when I see breeders advertise “their line” when they have only been in the hobby a few years so come along and learn the correct way.

Birds to bring along for the **tableshow** are **2023 rung** young birds, Juvenile and Nestfeathers. Supper will be available to all who attend.

BIRDS FOR SALE: We will have birds for sale and they will be of good quality and very reasonable prices. Phil Edgar who has continually won with his Lacewings over many years will have some Lacewings available, and Arjuna Cooray, who has birds from top interstate breeders will have ten birds for sale. There will be no bidding, the prices set are what they are sold for. Bring a cage along in case you see something you like (which I am sure you will.)

On October 14 & 15 a number of members are going up to Maryborough for the weekend. There will be 2 aviary visits on the Saturday, Dinner at the Carriers Arms Motel (where everyone is booked into for the night) and the show is on the Sunday. These weekends are always a lot of fun and the country hospitality is second to none. If you wish a schedule to be sent out again to you just let me know. A few birds from all who attend will make it a great show.
