Meeting venue: Bracken Ridge Hall, Corner. Bracken & Barrett Streets, Bracken Ridge. Doors open 7pm for 7.30pm start.

Thursday, **11 January** is the date for our next meeting which we hope you will attend. Topic will be **Preparing your birds for the breeding season.** Breeding season is not just a matter of pairing up birds which you would like to see mated: It is a process leading up to the pairing that has a major impact on fertility, hatchability, feeding youngsters etc. This will be another interesting evening so please come along and join us.

Birds to bring along for the **tableshow are 2023 rung** young birds, Juvenile and Nestfeathers. Supper will be available free of charge to all who attend.

As emailed to you earlier today, there is a Budgerigar Forum on February 10 (Saturday) at Manly West put on by the SQBBA. This will be a “Must Attend Event” if you have an interest in Breeding and Judging Budgerigars. I encourage all to attend and please let me know if you are going as numbers are required for catering.

BNSBS Inc. will not be hosting the Annual Show in February – it has been delayed to August due to excessive heat in February which is not healthy for the birds or the exhibitors.

I would like to take this opportunity to thank all who attended our End of Year Social gathering. The turnout was great, the food good, the friendship fantastic, the luck door was very good and the temperature was scorching! Thank you one and all.
