## **WE ARE OPEN FOR BUSINESS -ARE YOU GOING TO SUPPORT US?**

We are looking forward to seeing you next Thursday, August 13. Bring along any 2020 rung birds you have bred so we can see how you have improved the quality of your stud. It will be great to catch up, compare notes, have a few laughs and listen to Jamie Wright passing on some of his vast knowledge. Jamie is a good speaker and willing to answer any questions you may have. It has been a long five months in isolation, let's spread our wings a little.

**COVID 19 RESTRICTIONS** will have to be enforced so if you have a temperature, cough, runny nose, sore throat etc. please stay home. The entry to our hall will be by the main entry door but exit will be through the door by the stage. Your temperature will be checked prior to entering via a digital forehead thermometer. The most important thing is to “social distance” which is the “norm” these days. You will have access to the undercover parking if you cannot find a space right outside the hall. One of your committee will be by the carpark to give you access. **Please – do not bring any donations towards supper as we have to supply individually wrapped biscuits.**

**On line auction:** Your committee is in the midst of setting up an online auction site and once we have settled on the first block of birds, we will let you know. Bidding will be in minimum of \$20 bids. You will access the auction via our website [brisbancenorthbudgieclub.com](http://brisbancenorthbudgieclub.com) Pay a visit to the site to see the many articles and information on hand. If you would like to try auctioning a bird online, please email decent photos and description as in age, variety, sex, date of birth, etc. to me at [candkgough@outlook.com](mailto:candkgough@outlook.com) and the committee will consider all applications.

**The Henry George Auction** is schedules for Saturday 19<sup>th</sup> September at Morayfield with viewing commencing at 8am and the auction starting at 9am. The hall is at 298 Morayfield Rd Morayfield behind Bunnings. Henry will have between 158 birds and if it is anything like previous years there will be great quality at reasonable prices. The catalogue should be available at our general meeting next week.

**Millet Sprays:** Our wonderful Pet Supplies man, AJ sold 15 x 10kg boxes of top grade millet sprays last month at only \$120 each box. He has offered to collect more if anyone is interested. The quality was top grade as you can see by the photos. If you would like to order a box or two, please call AJ as soon as possible on 0430 559 008
