Tableshow meeting: This Thursday, December 10 will be our End of Year Gathering to help celebrate what has been a successful year for our club in a very nasty year everywhere.

You are welcome to come along and partake of some Pizza and dessert and light refreshments will be available at no cost to you. We will be having a couple of lucky door prizes as well as a raffle on the night so please bring a couple of \$'s with you to purchase some tickets. Also available on this night will be the club magazine so if you wish a hard copy, please attend the meeting.

Table Show birds: There will be no tableshow at this meeting so save them for our January meeting please.

Committee Nominations: If you wish to join the committee, please let one of us know. Our meetings are held in the Bracken Ridge Library on the second Tuesday of each month (except January). They commence at 7.30pm and we are finished by 8.30pm and that is after a few laughs, coffee etc. We would love you to “put in” if you can please. I have attached a nomination form for you to complete.

On line auction: Your committee is having a break from the online auctions after this week so please go onto the link below and see what is up for grabs.

2021 Leg Rings: If you haven't ordered your uncoded 2021 leg rings yet, please contact our ring steward, Kaitlyn on 0420741268 or email on kaitlyn.edser@hotmail.com **as soon as possible** as rings are limited.

On March 6 2021, a group of us are going to Maryborough on the Saturday, leaving our birds at a Fraser Coast Members garage, going out for Dinner on the evening, staying at a motel and attending the Fraser Coast Show on the Sunday and then leaving for home around 1.30pm. These trips away are a lot of fun and you get to meet your fellow club members in a great social atmosphere as well as supporting a northern country club. When I have the schedules I will forward them onto you but please mark this date in your diary.

In this hot steamy weather, please look after your birds as they may become susceptible to Coccidiosis. Another cause of this disease is overcrowding which we are all guilty of after successful breeding seasons with lots of youngsters around. Please speak to our wonderful vet, Ron Woodhead at our meeting Thursday night and treat your birds accordingly.

Unlike last meeting, the doors will be open at 7pm for a 7.30pm start. Keith said he will remember the time and the raffle and Angela has promised to remember the milk.

Merry Christmas

BRISBANE & NORTHERN SUBURBS BUDGERIGAR SOCIETY INC.
