**WE ARE OPEN FOR BUSINESS** unless we are put into lockdown again.

August 13 is the date for our first meeting back and we are looking forward to seeing you and your birds again. Bring along any 2020 rung birds you have bred so we can see how you have improved the quality of your stud. It will be great to catch up, compare notes, have a few laughs and listen to Jamie Wright passing on some of his vast knowledge. Jamie is a good speaker and willing to answer any questions you may have.

**COVID 19 RESTRICTIONS** will have to be enforced so if you have a temperature, cough, runny nose, sore throat etc. please stay home. The entry to our hall will be by the main entry door but exit will be through the door by the stage. Your temperature will be checked prior to entering via a digital forehead thermometer. You will have access to the undercover parking if you cannot find a space right outside the hall. One of you committee will be by the carpark to give you access. Our President Ross Patrick will be informing you of other regulations once the meeting commences.

**The Henry George Auction** is scheduled for Saturday 19<sup>th</sup> September at Morayfield with viewing commencing at 8am and the auction starting at 9am. The hall is at 298 Morayfield Rd Morayfield behind Bunnings. Henry will have between 150 - 200 birds and if it is anything like previous years there will be great quality at reasonable prices. The catalogue should be available in late August so start saving your money to purchase birds from the most successful breeder in Australia.

**Sales Night** will be held in October and we would like an idea as to what variety, colour, etc you are looking for as well as if you will have any birds for sale. The results of the youngsters from birds bought at previous sales nights is outstanding so we want to give you the chance to improve your stock again at reasonable prices. On a separate email, there is a form which we would like you to complete and return to me at [candkgough@outlook.com](mailto:candkgough@outlook.com) please

Weekend meetings: Are you interested instead of the nightly ones. We realise, as a committee, that some people do not like going out at night, so we are putting it out there if you would be interested in a Saturday or Sunday morning meeting. Again, this is on the attached email.

**WE NEED YOUR FEEDBACK PLEASE.**
