Although things have been in lockdown, your committee has been very busy behind the scenes to keep our members up to date with budgie happenings and to work out how to get the club moving forward again when we are back to normal. Unfortunately, not only the lack of social contact was a factor in having no meetings or shows but also lack of Insurance. The policies for all bird clubs was cancelled and they are reviewing the reinstatement of the policy on July 1<sup>st</sup>.

Please read the notes below so you are up to date with everything.

We are hoping the Council Meeting Hall will be open for our **August 13<sup>th</sup> meeting** where we will have Mr Jamie Wright speaking to us on Vitality in your Aviary and hopefully he can bring down a Single Factor Australian White Cap and a Double Factor so we can all gauge the difference in them. There have not been too many Double Factors available to see so this is a golden opportunity. I have previously listed to Jamie speak on Vitality and I found it to be very informative and easy to understand.

On this night we are also hoping you will bring along your 2020 Young Birds and any Nestfeathers that may be old enough. We want to see how you have been progressing whilst in shutdown.

The **club magazine** will not be issued due to the lack of shows and availability of interviews, but rest assured the September issue will be printed.

**The Henry George Auction** is scheduled for Saturday 19<sup>th</sup> September at Morayfield with viewing commencing at 8am and the auction starting at 9am. The hall is at 298 Morayfield Rd Morayfield behind Bunnings. Henry will have approx 200 birds and if it is anything like previous years there will be great quality at reasonable prices. The catalogue should be available in late August so start saving your money to purchase birds from the most successful breeder in Australia.

### Upcoming tableshows:

- August 13            Jamie Wright will be our guest speaker
- September 10        Bird Records for computer or handwritten presented by Kaitlyn Edser and Keith Gough
- October 8            Sale night. If you have birds for sale or wish to purchase some great quality at stupidly low prices, then this is the night,
- November 12         Sexlinked genetics or Questions & Answers.
- December 10         Christmas Party

### **I have kept the best news till last**

Due to the lack of meetings, shows and no June Magazine, your committee has agreed upon the following.

**For any member who was financial with BNSBS Inc. as at 9<sup>th</sup> June 2020 will only have to pay a \$10 membership fee to renew for 2021.**

We the Committee appreciate how hard it has been for you, our members and thought the reduced membership was a great way to show our appreciation for you to stick with us and hopefully attend our August meeting.

Regards  
Carol Gough
