**Tableshow meeting:** Next Thursday, November 12 will be a talk on Genetics & Colour Expectations. How did you breed that colour out of those parents? How can I breed a Mauve? Lots of questions you have may just be answered so come along, bring a notebook, bring lots of questions and join in the fun.

**Table Show birds:** Please bring you **2019 rung and your 2020 rung birds to the meeting.** This will be our last tableshow for 2020 so bring along as many birds as you have.

**December 10 meeting** is usually our Christmas Party but with the year we have had and are still having with restrictions etc. the committee has decided to have an “**End of Year Gathering**” No table show birds but we will have Pizza & Sandwiches for a light supper along with drinks. We will also have a Question/Answer segment so it will be a great way to end what has been a very challenging year.

**Committee Nominations:** I wish to congratulate our wonderful committee on running our society in such a successful manner this year. Every challenge has been met, faced and conquered so thank you one and all.

If you wish to join the committee, please let one of us know. Our meetings are held in the Bracken Ridge Library on the second Tuesday of each month (except January). They commence at 7.30pm and we are finished by 8.30pm and that is after a few laughs, coffee etc. We would love you to “put in” if you can please.

**On line auction:** Your committee is having a break from the online auctions from December 9, 2020 to January 15<sup>th</sup> 2021. We think with Christmas happening we probably do not need to be thinking about birds that much. But that will be a good time to see what birds you have for sale to put in the auctions when they recommence. If you have birds for it, send them through to Carol at [candkgough@outlook.com](mailto:candkgough@outlook.com) with photos, description, background, features and reserve price anytime over the break. It is also a good time to see

what your birds are lacking and look for that on birds available to purchase. Our online auction link will either be emailed to you or it is on our Facebook page which is– **brisbanenorthbudgieclub.com** and follow the link.

**Millet Sprays:** Our wonderful Pet Supplies man, AJ is taking orders again for Panorama Millet Sprays freshly picked from the farm. If you would like to order from 1kg up to a 10kg box or two, please call AJ as soon as possible on 0430 559 008. AJ will do smaller amounts if 10 kg is too much for you. **Orders must be in November 30, 2020.**

**We will have 12 boxes only as this is the last of the harvesting, so if you feel you will need some in the next few months, now is the time to contact AJ**

**Upcoming tableshows:**

November 12      Sexlinked genetics or Questions & Answers.  
December 10      End of Year Gathering

Congratulations to all who are celebrating this month.

**Last meeting:** It was fantastic to see so many people at our Sales Night last month and I sincerely thank one and all. Not only were there fantastic birds for sale at very reasonable prices, but there was a lot of harmony and good will.

**So once again, thank you and please continue to support your club and committee by attending our meetings.**

**Breeding Registers are available** for you to purchase at only \$5 each and they will do a couple of years' worth of birds which is really good value. The pack also contains nest box cards – so it relates to really good value. Your committee feels it is extremely important you record all particulars hence the really low price of \$5. Look forward to seeing you next week and don't forget to **order your millet** before it runs out.

Regards, *Carol Gough*
